

# The Access to Volunteering Fund

**Because volunteering makes  
a difference, for everyone.**

Disabled people face barriers every day,  
and volunteering is no different.

The Access to Volunteering Fund can  
help your organisation support them.

With grants up to £5,000 available to cover  
costs ranging from specialist equipment  
to workplace assistance, you can give  
disabled people the chance to volunteer.

Make a difference today.
