

Bowls Development Alliance

Have Mat Will Travel

What is it?

'Have Mat Will Travel' is a Bowls Roadshow, which together with a driver, brings indoor/outdoor mats, bowls and banners to large venues and events.

How does it work?

Volunteers from clubs run the day, offering people the opportunity to try bowls. Participants receive an invitation for a free introductory session at a club near to them.

Who is it for?

Older people (65+) are actively encouraged to take part, although anyone is welcome to have a go.

Why get involved?

It is a great way to recruit new members and help the sport to grow.

How do I get involved?

If there is a large event or venue near to you that could host a 'Have Mat Will Travel' and you want to be involved, get in touch now!
