Project 1 – Title	Community Sports Activities and Infrastructure Development
Aim	A project with 2 main strands. The first aims to provide more activity aimed at young people, particularly people who have a disability, women and girls and people who may be at risk of offending. The second strand aims to work to improve the quality of clubs in the area and also provide an academy to help develop and mentor coaches and volunteers in South Ribble.
Main Contact for Project and contact number	Suzanne Cubbon – 01772 421109

Project 2 – Title	Older Persons Activity Project
Aim	The aim of this project is to employ an officer who will work on developing a programme of activity for people aged over 50, and also help signpost existing groups into activities that are already taking place.
